## 2. **Beta Testing and Changes to Services**

2.1. **Beta Testing.** You hereby acknowledge that if you have been so notified and have agreed to subscribe to Services as a “Beta Tester,” that you may be accessing a special version of RK360 Apps or other Platform Services (“**Beta Versions**”) designed to investigate the user experience. You understand and agree that the Beta Version may still contain software bugs, suffer disruptions and not operate as intended or designated. Your agreement to a Beta Test Subscription signifies your understanding of, and agreement to, participate in the testing of the Beta Version. You agree to provide information about bugs, errors, and usability issues encountered in the use of the Beta Version to Prosocial when prompted and in a timely manner at no charge to Prosocial and not to claim any right, including, but not limited to, any right under patent law and copyright law, with respect to correction or modification of the Beta Version or Services which Prosocial may make using information provided from you. Prosocial reserves the right to discontinue the Beta Version without notice at any time for any reason including, but not limited to, launching of or discontinuing a development of a commercial version of the Services. **2.2. Changes to Services.** Prosocial is not obligated to maintain or support the Services, or to provide you with updates, upgrades, or services related thereto. You acknowledge that Prosocial may from time to time in its sole discretion, issue updates or upgrades to the Services, and may automatically update or upgrade the version of the Services that you are using on your computer or device, either automatically or as a result of your request. These updates or upgrades may be designed to fix bugs, security issues, improve performance, add, remove, or update functionality, and generally improve the Services. Prosocial reserves the right to discontinue the Services with or without notice to you. You consent to such updating or upgrading on your computer or device. If you object to any such changes, your sole recourse shall be to cease using the Services. Continued use of the Services following notice of any such changes shall indicate your acknowledgement of such changes and satisfaction with the Services as so modified.

### **3. User Representations, Rights, and Responsibilities**

Prosocial will not be liable for any loss or damage arising from your failure to comply with this section, and your Credentials, User Data, and Record Permissions may be deleted or suspended without warning if we have reason to believe that you do not meet eligibility requirements.
- You acknowledge and agree that you will not exploit, manipulate, use or misuse Services intended for consumer Users for unauthorized commercial purposes.

**3.2. Credentials.** Prosocial enrolls individuals as Users only after issuing them with Credentials based on User Data that Prosocial requests and that Users supply. It is each User's responsibility to respond to Prosocial's requests for User Data and for Credentials while preventing unauthorized third parties from accessing User Data or Credentials. Users must access Services periodically to avoid permanent cancellation of Credentials and deletion of User Data. Prosocial will prompt Users to login after prolonged periods of absence and Prosocial will assist Users in resetting passwords and Credentials but does not guarantee that Users will avoid cancellation of Credentials and Record Permissions or deletion of User Data and Record Content.

**3.3. Record Access by Distributors and Corporate Entities.** Whether Record Owners or duly authorized Record Administrators subscribe directly to Services or are enrolled by Distributors, such as healthcare providers, health insurance companies, or employers, Record Administrators control access to Record Content. When Distributors are individual persons, they may not access Records unless they agree to these Terms and Record Administrators grant them Record Permissions. When Distributors are corporate or government healthcare or health insurance or other entities, they may not access Records except if they identify individual corporate or government representatives who agree to these Terms and to whom Record Administrators grant Record Permissions. Distributors may not supply Records to Record Owners and assign corporate or government representatives as Record Administrators before Record Owners (or their personal representatives if Record Owners are minors or incapacitated adults) have had an opportunity to select Record Administrators who are not controlled or influenced by Distributors. The foregoing provision supersedes any HIPAA Business Associates Agreement or Notice of Privacy Practices of distributors and of corporate or government entities even if agreed to by patients or their personal representatives.

**3.4. Record Permissions.** It is the responsibility of Distributors, Record Owners, and Record Administrators to select trusted Users for Record Permissions, grant them suitable permissions, review audit reports, change or remove User permissions as needed, promptly report User misconduct to Prosocial and the appropriate authorities, and take all necessary actions to remedy User misconduct and prevent additional misconduct. The foregoing provision supersedes any HIPAA Business Associates

Agreement or Notice of Privacy Practices of distributors and of corporate or government entities even if agreed to by patients or their personal representatives.

3.5. **Protection of User Data.** Users are responsible for protecting the security and privacy of User Data. Prosocial reserves the right to review User actions for protection of the security and privacy of their own and others' User Data, to remove Credentials and Record Permissions of Users in breach of these Terms, and otherwise to enforce these Terms.

3.6. **Creating Record Content.** Users, consistent with their Record Permissions, control and are responsible for Record Content they have authorized for import from other sources or have entered, updated, altered, annotated or removed from Records. Prosocial claims no ownership of Record Content, except for Record Content created or copyrighted by Prosocial. Users represent and warrant that for the duration of these Terms, they have all rights necessary for Record Content and that use of Record Content does not violate any law. Users who introduce Record Content, such as spam or viruses, which jeopardizes others' safety, security, privacy, or intellectual property rights, threatens the privacy, security, or functionality of Services, or is prohibited by applicable government rules and regulations are in breach of these Terms. Prosocial reserves the right to review Record Content for purposes of enforcing these Terms, block and remove prohibited Record Content, remove access permissions of Users in violation of these Terms, and otherwise enforce these Terms.

3.7. **Sharing Record Content.** Users are responsible for controlling access to their own Records and for properly exercising Record Permissions on others' Records. Users who share others' User Data and Record Content in public forums and Users who employ their access to Services to infringe on, or threaten, others' safety, security, privacy, or intellectual property rights, are in breach of these Terms.

3.8. **Data Outages.** Services offered by Prosocial may experience unexpected or planned outages to improve services and functionality. In case of such outages Prosocial will not be liable in any way due to the lack of access to the offered Services.

4. **Data Protection.** As described further in our Privacy Policy, Prosocial takes reasonable measures to protect the security and privacy of data, including User Data and Record Content, from unauthorized access, disclosure, or use. These measures may change at the sole discretion of Prosocial, as circumstances require, in order to improve the security and privacy of all data including User Data and Record Content.

5. **Data Retention.** When accessed by authorized Users, our Site and Services collect and exchange data, including User Data and Record Content as they direct. The data we collect, why we collect it, and how you can manage information is more particularly described in our Privacy Policy. The data retention policies in this section describe how and why we hold onto different types of data for different periods of time.

5.1. **Information Retained Until Deleted by You.** Record Administrators may, at any time, authorize export of Record Content to their chosen external storage repositories and deletion of Record Content from our servers. We will use best efforts to delete Record Content from our servers within 45 days from the date of authorization by a verified Record Administrator. Until Record Administrators authorize information deletion, we retain personally identifiable User Data and Record Content on our servers to assure

availability to Record Owners following unintended expiration of Record subscriptions. Record Owners and their representatives who supply proof of identity and authority may contact us to reactivate expired subscriptions or to authorize Record Content export and deletion from our servers.

5.2. **Data that Automatically Expires After a Period of Time.** Data pertaining solely to our management of Site and Services, excluding User Data and Record Content or information related to management of User Data and Record Content, may be set to expire and be expunged from our servers after reasonable time periods.

5.3. **Information Retained Indefinitely.** Audit records that log User activity on Site and Services are retained indefinitely to comply with government regulations and judicial orders.

5.4. **Information Shared with Healthcare Providers.** Prosocial has no control over retention, processing, or exchange of information that Healthcare Providers receive via our Site and Services.

## 6. **Termination or Cancellation of Services.**

6.1. **Usage of Services.** If Users stop using the Services at any time for any reason and allow their Credentials to expire through prolonged inactivity, Prosocial may terminate Users' access to Services.

6.2. **Record Termination by Users.** Record Administrators may close the Records they administer for themselves or for other Record Owners, at any time for any reason, employing methods that Prosocial supplies for exporting Record Content to external storage devices and requesting deletion of User Data and Record Content from Prosocial's servers. Following Record Termination by Users, Prosocial may retain anonymized or deidentified Group Data related to closed Records.

6.3. **Access Termination.** Upon termination of a User's access to Services, by the User or by Prosocial, the User's right to access Services and Records stops immediately. Prosocial may delete the User's User Data and Record Content from its servers and has no obligation to return any information including User Data and Record Content to the User. Following Access Termination, Prosocial may retain the audit logs of terminated Users and Group Data related to terminated Users.

6.4. **Record Termination or Suspension by Prosocial.** Prosocial reserves the right to suspend or terminate any Record upon one of the following events:

(a) A material breach of these Terms (other than the payment of amounts due hereunder) and the User or Distributor fails to cure such breach within ten (10) calendar days after written notice of the breach.

(b) A failure by the User or Distributor to pay any amounts due to Prosocial under these Terms or otherwise.

(c) With respect to any User or Distributor, the occurrence of an action in bankruptcy, an assignment for the benefit of creditors, the appointment of a receiver or trustee, or the liquidation of all or substantially all of its assets or Prosocial determines that the User or Distributor is not creditworthy.

(d) Upon a determination by any governmental authority with jurisdiction over the parties that any provision of these Terms is contrary to existing laws, rules or regulations.

(e) The passage of adoption of any law, rule, or regulation that in the reasonable judgment of Prosocial will make it materially more expensive or difficult to provide Services under these Terms.

Prosocial may take action against Users who are in breach of these Terms including, without limitation, (i) cancellation of Credentials; (ii) suspension, termination, or deletion of a Record; (iii) deletion of User Data and Record Contents; or (iv) denial of access to Services; or referral to the proper authorities.

**7. Intellectual Property; License to Service.** All right, title, and interest including, but not limited to, copyright and other intellectual property rights in and to the Services (including but not limited to all html, asp, aspx, dll, graphic/image, and text files) are owned by Prosocial. Such rights are protected by United States copyright laws, other applicable patent laws, copyright laws, and international treaty provisions. Prosocial retains all rights not expressly granted herein.

Subject to your compliance with these Terms, Prosocial hereby grants you a revocable, non-exclusive, non-transferable, non-sublicensable license to access and use the Services and to install and use the executable form of any applications contained in the Services on computers or devices which are owned or controlled by you. This license is revocable at any time

You will not use, copy, adapt, modify, prepare derivative works based upon, distribute, license, sell, transfer, reverse engineer, decompile, publicly display, publicly perform, transmit, stream, broadcast or otherwise exploit the Site, the Services, the User Data or Record Content, except as expressly permitted in these Terms. No licenses or rights are granted to you by implication or otherwise under any intellectual property rights owned or controlled by Prosocial or its licensors, except for the licenses and rights expressly granted in under these Terms. Prosocial reserves the right to refuse permission to use the Services to any individual or company for any reason and may do so without notice. You may not delete, alter or remove any copyright notices, including any references to "Prosocial," "Prosocial Applications, Inc.," "Smart Health Records," "SHARE," "Red Kangaroo 360," "RK360," "SmartPHR," "Cancer Aware," "Fit Aware," "Heart Aware," or "Kids Aware," in any of the source code, such as those in asp/asp.net scripts. Any use of the Site or the Services other than as specifically authorized in these Terms, without our prior written permission, is strictly prohibited and will terminate the license granted under these Terms. Such unauthorized use may also violate applicable laws.

You reserve all rights over any Record Content that you own or for which you have a license (other than Feedback, as defined and described in the section entitled "Feedback" below). In order to allow Prosocial to adequately operate and provide the Services, you grant to Prosocial a worldwide, non-exclusive, fully paid, royalty-free, sublicensable, and transferable license to use, reproduce, distribute, prepare derivative works of, display, and perform your Record Content for the purpose of operating the Site and the Services and Prosocial's (and its successor's) business; provided that such use is in accordance with U.S. federal and state law, including HIPAA. You may terminate this license with

respect to any Record Content posted by you on the Site of which you are the owner by deleting the information from the Site. Otherwise, such license will be perpetual and irrevocable.

**8. Disclaimer and Limitation of Liability for Damages.** EXCEPT AS PROVIDED IN THIS SECTION, THE SITE, ANY THIRD PARTY CONTENT, RECORD CONTENT, USER DATA, AND ALL SERVICES ARE DELIVERED “AS IS” AND WITHOUT WARRANTY OF ANY KIND, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OR CONDITION OF TITLE. IN NO EVENT SHALL PROSOCIAL BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS OR INTERRUPTION OF BUSINESS, WHETHER SUCH DAMAGES ARE ALLEGED IN TORT, CONTRACT, INDEMNITY, OR OTHERWISE, EVEN IF SUCH PARTY HAS BEEN APPRISED OF THE POSSIBILITY OF SUCH DAMAGES. The foregoing limitations include and apply to, without limitation, any liability arising out of the performance or failure to perform of any hardware, software, or Internet connection, from any errors, omissions, interruptions in or failure to provide Internet service; from interruptions in web page availability; from the consequences of computer viruses transferred over the Internet or otherwise; or from communication line failure, breach of security due to use of the Internet, or any loss of information or confidentiality due thereto.

IF ANY PART OF THIS LIMITATION OF LIABILITY IS FOUND TO BE INVALID, ILLEGAL, OR UNENFORCEABLE FOR ANY REASON, THEN THE AGGREGATE LIABILITY OF PROSOCIAL UNDER SUCH CIRCUMSTANCES TO YOU OR ANY PERSON OR ENTITY CLAIMING THROUGH YOU FOR LIABILITIES THAT OTHERWISE WOULD HAVE BEEN LIMITED WILL NOT EXCEED ONE HUNDRED U.S. DOLLARS (\$100.00).

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES OR THE LIMITATION OR EXCLUSION OF LIABILITY FOR CERTAIN TYPES OF DAMAGES. ACCORDINGLY, SOME OF THE ABOVE DISCLAIMERS OF WARRANTIES AND LIMITATIONS OF LIABILITY MAY NOT APPLY TO YOU.

Further, you acknowledge that you may have or may in the future have claims against us which you do not know or suspect to exist in your favor when you agreed to these Terms and which if known, might materially affect your consent to these Terms. You expressly waive all rights you may have under Section 1542 of the California Civil Code, which states:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

IF THIS CLAUSE IS HELD TO BE UNENFORCEABLE IN WHOLE OR IN PART IN ANY JURISDICTION DUE TO RELEVANT LAWS, THEN IN NO EVENT SHALL PROSOCIAL’S TOTAL LIABILITY TO YOU EXCEED ONE HUNDRED U.S. DOLLARS

(\$100.00). NOTHING IN THIS CLAUSE SHALL LIMIT OR EXCLUDE ANY LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM GROSS NEGLIGENCE.

9. **Indemnification.** Each User, Record Owner, Record Administrator, and Distributor (each, an “**Indemnifying Party**”) will defend, indemnify, and hold harmless Prosocial, its affiliates (including SHARE), directors, licensors, employees, and agents harmless from and against any claim, action, proceeding, loss, cost, expense, damages, and liability, including reasonable attorneys’ fees, arising from:

- (a) The Indemnifying Party’s access to, use of, or other actions relating to the Services;
- (b) The Indemnifying Party’s breach of any provision of these Terms; and/or
- (c) Any User Data or Record Content provided by the Indemnifying Party.

10. **No Medical Advice** The Services include no provision of medical or healthcare advice or directions and are not intended to be and should not be used in place of the advice of your physician or other medical professionals or a visit, call, or consultation with your physician or other medical professionals. You should never disregard medical advice or delay in seeking medical advice because of any content or information presented on this Site, and you should not use our content for diagnosing or treating a health problem. If you have any concerns about your health, you should always consult with a physician or other health-care professional. Record Owners and Record Administrators are responsible for consulting with qualified healthcare providers before drawing any conclusions based on information they access via the Services.

Although the Services may allow Record Owners and Record Administrators to monitor symptoms, physical findings and laboratory results; to visualize temporal correlation to medications, supplements, and life-style choices; to aggregate health data from multiple sources; and to exchange data and communicate about healthcare issues with Healthcare Providers, there is no intent to provide medical advice or directions, to confirm the accuracy of any data, or to verify the qualifications of any Healthcare Provider contacted via Services. Record Owners and Record Administrators are responsible for exercising reasonable judgment about actions they take as Users of our Services.

The transmission and receipt of User Data or Record Content, in whole or in part, or communication via the internet, e-mail or other means does not constitute or create a doctor-patient, therapist-patient, or other healthcare professional relationship between you and us.

Reference to any Healthcare Provider, product, recording, event, process, publication, service, or offering of any third party by name, trade name, trademark, service mark, company name or otherwise does not constitute or imply the endorsement or recommendation of such by Prosocial or SHARE. Any views expressed by third parties on the Site or Services are solely the views of such third party and we assume no responsibility for the accuracy or veracity of any statement made by such third party.

11. **Copyright Complaints.** In the event that you find content posted on our Site or Services which you believe to be an infringement of the copyright ownership or other intellectual property rights of your company or any third party, you are requested to immediately contact the Prosocial. Prosocial may give notice of a claim of copyright infringement to our Users by means of a general notice on the Site, electronic mail to a User's email address in our records, or by written communication sent by first-class mail to a User's address in our records. In accordance with the DMCA, we may terminate use of our Site or Services by repeat infringers in appropriate circumstances.

12. **Feedback.** Any comments or materials sent to Prosocial including feedback data, such as questions, comments, suggestions, or the like regarding the Site, the Service, the Record, the App or any other products or programs of Prosocial (collectively "**Feedback**"), shall be deemed to be non-confidential. ### 13. **Miscellaneous.**

13.1. These Terms and the relationship between the parties hereto will be governed by the laws of the State of Colorado, United States of America.

13.2. Unless otherwise provided herein, any claim or controversy arising out of or relating to these Terms or the breach of these Terms shall, upon the request of any party involved, be submitted to and settled by a sole arbitrator in Colorado, in accordance with the rules of the American Arbitration Association. The decision made pursuant to arbitration shall be rendered within sixty (60) days of submission to arbitration and shall be binding and conclusive on all parties involved; and judgment upon that decision may be entered in the highest court of any forum, federal or state, having jurisdiction. In the event that any arbitration proceeding is brought forth to enforce or interpret these Terms, the prevailing party shall be entitled to collect from the other party its expenses and reasonable arbitration fees exclusive of attorney fees. We each agree that any dispute resolution proceedings will be conducted only on an individual basis and not in a class, consolidated or representative action. If for any reason a claim proceeds in court rather than in arbitration, we each waive any right to a jury trial.
